Livestock - District Livestock Farm, South Kanara - Sale of milk - Action of the DAH - Approved.

Roc.No.870-D1/55.

Animal Husbandry Department,
Triplicane Post, Madras,
Dated 14th March 1955.

From
Sri V.R.Rajagopalan, G.M.V.C., Dip., Bact.(Manchester),
Director of Animal Husbandry, Madras.

To
The Deputy Secretary to Government,
Agriculture Department, Madras.

Sir,

Sub: Livestock--District Livestock Farm, South Kanara--Sale of milk--Approval--Requested.

Ref: Government Memo.No.61572-L/52-22 dated 4-8-53.

In their order quoted above, Government have permitted the continuance of sale of milk at the District Livestock Farm, South Kanara at the rate of Re.0-5-0 per lb. and have also requested me to see that the rate arrived at by calling for tenders compare favourable with the selling rate, viz. 0-5-0 per lb. in respect of District Livestock Farm, South Kanara. In this connection I wish to state that when the auction sale of the right of purchasing milk from this farm was conducted for the year 1954-55 only two contractors participated in the first instance and both of them bid the same rate. A reauction was therefore conducted and 5 individuals participated in the above milk auction with the result the bid was knocked down at Re.0-4-6 per lb. by Sri B.D.Shenoy and it was accepted by me being the highest as it was also near about 0-5-0 i.e. the rate approved by Government. Similarly when the right of purchasing milk from the farm for the year 1955-56 was put into auction, in all 3 individuals participated in the auction and the highest bid was for Re.0-4-6 per lb. by Sri Y.Sanjeeva Shenoy, Puttur. In this connection the Superintendent has reported that there is practically no trade in milk in the adjoining villages as every one has his own cow or buffalo and that this farm has yet to get any individual customer for milk from the villages. It is also reported that there is a downward trend in the market rates and the rate offered by Sri Y.Sanjeeva Shenoy, Puttur is the maximum possible. In view of the location of the farm in Koila Village for interior from the nearest taluk headquarters ie. Puttur and also due to transport difficulties to and fro and in the circumstances stated by the Superintendent, the bid at 0-4-6 per lb. in favour of Sri Y.Sanjeeva Shenoy was approved by me for the year 1955-56.

I therefore request that Government may be pleased to approve of my action in having accepted the bid at Re.0-4-6 per lb. for the years 1954-55 and 1955-56.

Yours faithfully,

J.V.Victor
